## Social Activities

- **Cancer Screening Camps:** Planned, organized, and conducted regular community-based cancer screening camps in collaboration with the Rotary Club, Jamnagar, and MP Shah Medical College and Hospital. The initiative focused on early detection, risk assessment, and awareness generation among the general population. Activities included clinical screening, patient counseling, and referral of suspected cases for further diagnostic evaluation, contributing to improved community health outcomes.
- **Palliative Care Services:** Provided integrative palliative care support for advanced-stage cancer patients through Ayurvedic centers, emphasizing holistic management of pain, fatigue, and quality of life. Care included individualized treatment planning, dietary and lifestyle guidance, and supportive therapies aimed at enhancing patient comfort and overall well-being.

**Declaration:** The information stated above is true to the best of my Knowledge and belief.
