📍 Mangalore, Karnataka, India

PROFESSIONAL SUMMARY

Doctor of Pharmacy graduate with strong clinical knowledge and hospital training experience. Skilled in patient counseling, medication review, clinical documentation, and clinical research processes. Published papers in the field of Clinical Research and Pharmacovigilance in peer-reviewed journal. Seeking Clinical Research Coordinator Role to contribute to patient safety, protocol compliance, high-quality clinical studies, and the success of the organization.

CORE COMPETENCIES

- ICH-GCP & GVP guideline compliance
- ICSR / SAE identification & processing
- Regulatory frameworks: FDA, EMA, ICH
- Case Report Form (CRF/eCRF) design & maintenance
- Clinical safety documentation & SOP Compliance
- Clinical Trial Phases (I–IV)
- Root Cause Analysis
- Microsoft Excel (data cleaning, dashboards)
- Literature Database Searching (PubMed, Google Scholar)
- Scientific Writing

EDUCATION

Doctor of Pharmacy (Pharm D)

2019 - 2025

Srinivas College of Pharmacy, Mangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore, India

GPA: 3.19/4

- Best Academic Performance Award — Pharm D 4th Year (2022 - 2023)
- Best Outgoing Student Award — Pharm D (2019 - 2025)

INTERNSHIP EXPERIENCE

Pharm D Intern

Mar 2025 - Nov 2025

Srinivas Institute of Medical Science and Research Centre, Mangalore, India

- Processed and documented adverse drug reaction (ADR) cases, applying ICSR identification principles in line with ICH-GCP and GVP standards.
- Designed and maintained Case Report Forms (CRFs) for observational studies, ensuring data accuracy and compliance with study protocols.
- Managed patient screening, informed consent documentation, and safety follow-up records, supporting regulatory-compliant study conduct
- Maintained complete study records and safety logs in accordance with SOPs
- Conducted clinical data collection and verification from medical records, developing precision and compliance habits essential for safety database entry.

Clinical Pharmacy Intern

Nov 2024 - Mar 2025

Fortis Hospital, Bannerghatta Road, Bangalore, India

- Assisted in identifying and reporting Adverse Drug Reactions (ADRs), gaining practical experience in the core ICSR workflow used in post-marketing pharmacovigilance.
- Performed medical record reviews and clinical data extraction, contributing to case series documentation and safety signal identification.
- Maintained clinical documentation, study logs, and safety records, ensuring data integrity across concurrent patient cases.
- Contributed to a published case series on Polymyxin B-induced hypotension — demonstrating ability to detect, document, and communicate safety signals.

Observership Intern

June 2024 - June 2024

Sri Jayadeva Institute of Cardiovascular Sciences and Research centre, Bangalore, India

- Observed clinical study workflows including patient eligibility assessment and follow-up.
- Reviewed Investigator Brochures (IBs) and clinical trial documentation, building foundational knowledge of sponsor-side safety obligations.

CERTIFICATIONS

- ICH-GCP Guidelines from NIDA Clinical Trials Network.
 - Scientific Writing in Health Research from ICMR-NIE.
 - Qualified with 93% in the National Level Talent Test On Clinical Research & Pharmacovigilance, organized by CliniWings - Clinical Research Training Institute - IAO & ISO Approved.
 - Workshop on Beginner’s Guide to Biostatistics – Kasturba Medical College, Manipal
 - Excel: Dashboards for beginners.
-

CONFERENCE PRESENTATIONS

Oral Presentation

- Unmasking an Old Drug – Polymyxin B and Hypotension: A Case Series - Presented at Inter health sciences National Postgraduate Conference, KMC, Manipal | 2025

Poster Presentation

- An observational study on emperical therapy in ICU patients with sepsis in a tertiary care hospital - Presesnted at 6th National Conference on Innovative Practices in Clinical Training and Patient Safety, Srinivas College of Pharmacy in association with IPA, Mangalore | 2024
 - Assessment Of Knowledge, Attitude, And Practice On Breast Cancer And Breast Self-Examination Among Female Population: An Online Survey - Presented at 5th National Conference on Innovative Practices in Clinical Training and Patient Safety, Srinivas College of Pharmacy in association with IPA, Mangalore | 2023.
-

ACHIEVEMENTS & PROFESSIONAL ACTIVITIES

- Served as Student Scientific Coordinator Head for the National conference on IPCTPS associated with IPA.
 - Served as Class Representative, supporting academic coordination, scheduling, and issue resolution.
 - Healthcare Volunteer (NSS Special Camp): Organized and conducted health education sessions in schools across Mangaluru.
