

ATUL SURESH

Senior Medical Physicist | AERB Licensed (ELORA #17-01938) | 9.7 Years Experience
Ahmedabad, Gujarat, India | +91 9497617913 | atulsuresh.rso@gmail.com | linkedin.com/in/atulsureshrso/

PROFESSIONAL SUMMARY

Results-driven Senior Medical Physicist with 9.7 years of clinical experience in radiotherapy, treatment planning, quality assurance, and brachytherapy. Internationally recognized — ranked 6th globally among 1,660 Medical Physicists from 94 countries in the RT Plan Competition 2017 (King Faisal Specialty Hospital & Research Centre, Saudi Arabia) with a VMAT/Rapid Arc score of 96.3%. Proficient in ECLIPSE and ONCENTRA TPS, IMRT, VMAT, SBRT, and SRS techniques. AERB-licensed, AMPI Life Member, and IAEA Audit conductor. Author of 20+ advanced quantum physics research papers reviewed at IIT Bombay and IISc Bangalore.

SKILLS

Treatment Planning: ECLIPSE TPS (v11 & 13.7), ONCENTRA TPS, 3DCRT, IMRT, VMAT, Rapid Arc, SRS, SRT, SBRT

Linac Systems: Varian TrueBeam STX, Trilogy FFF, Unique Power, Clinac 2300C/D, Siemens Artiste CT on Rail, Siemens Primus

Brachytherapy: NUCLETRON, Varian Gamma Med Plus; Ring, Flecture, Mupit and Miami applicators; ONCENTRA and ECLIPSE TPS

Imaging and Simulation: CT Simulation (GE Discovery), MRI, PET-CT, target volume delineation and OAR contouring

QA and Dosimetry: Radiation Field Analyzer (RFA Blue Phantom), COMPASS, in-vivo dosimetry, beam calibration, IAEA audit

Regulatory and Compliance: AERB ELORA License #17-01938, AMPI Life Member, IAEA Audit Shalby Hospital 2018

Clinical Procedures: Mould room techniques, patient immobilization, plaster of Paris and Orfit immobilization systems

PROFESSIONAL EXPERIENCE

Senior Medical Physicist

Shalby Hospital – Radiotherapy Department

May 2018 – Present
Naroda, Ahmedabad, Gujarat

- Planned and delivered radiotherapy treatment for 4,000+ patients using ECLIPSE TPS (v11 & 13.7) for external beam therapy.
- Executed advanced treatment techniques including VMAT/Rapid Arc, IMRT, SBRT, SRS/SRT, and 3DCRT with dosimetric precision.
- Commissioned the Varian Trilogy FFF LINAC and Varian Gamma Med Plus Brachytherapy machine for clinical use.
- Conducted IAEA Audit at Shalby Hospital (2018) ensuring compliance with international radiotherapy quality standards.
- Performed comprehensive QA for teletherapy and brachytherapy systems including beam calibration and phantom dosimetry.
- Treated 500+ brachytherapy patients using Ring, Flecture, Mupit, and Miami applicators across NUCLETRON and Varian platforms.
- Ranked 6th globally among 1,660 Medical Physicists from 94 countries — RT Plan Competition 2017, King Faisal Specialty Hospital, Saudi Arabia (VMAT/Rapid Arc score: 96.3%).

Medical Physicist

Kailash Cancer Hospital & Research Centre

Jul 2016 – May 2018
Goraj, Waghodia, Gujarat

- Planned and executed radiotherapy treatments for oncology patients across multi-machine teletherapy environments.
- Completed one-year AERB-recognized supervised internship under Chief Medical Physicist Mr. G. Murali (Jul 2016 – Jun 2017).
- Developed competency in radiation protection, in-vivo dosimetry, brachytherapy, and external beam planning.

Medical Physics Intern

Cancer Institute (WIA)

Sep 2014 – Jun 2016
Chennai, Tamil Nadu

- Completed two-year structured training and Gained clinical expertise across Radiotherapy, Diagnostic Radiology, Nuclear Medicine, Radiation Protection, and Dosimetry over a two-year structured programme

Medical Physics Intern

Health Care Global Hospital (HCG)

Jun 2015 – Jul 2015
Bangalore, Karnataka

- One-month clinical training in radiotherapy and medical imaging; completed M.Sc. research project on IMRT craniospinal irradiation.

EDUCATION

M.Sc. Medical Physics — First Class (74.9%)
Anna University, College of Engineering, Guindy

2014 – 2016
Chennai, Tamil Nadu

B.Sc. Physics — B Grade
Sree Narayana College, Kannur University

2011 – 2014
Kannur, Kerala

AWARDS AND RECOGNITIONS

- Global Rank 6 / 1,660 Medical Physicists — RT Plan Competition 2017, King Faisal Specialty Hospital & Research Centre, Saudi Arabia (VMAT/Rapid Arc, Score: 96.3%)
- Invited Speaker — 17th Asia Oceania Congress of Medical Physics and 38th AMPICON 2017, SMS Medical College, Jaipur
- Author — 20+ research papers on advanced quantum mathematical physics reviewed at IIT Bombay and IISc Bangalore
- IAEA Audit Conductor — Shalby Hospital, Naroda, Ahmedabad (2018)

CERTIFICATIONS AND LICENSES

- **AERB ELORA e-License:** No. 17-01938 — Government of India Atomic Energy Regulatory Board
- **AMPI Life Member:** Association of Medical Physicists of India
- **Internship Completion Certificate:** Kailash Cancer Hospital and Research Centre (AERB Recognized), issued 30 Jun 2017
- **Project Certificate:** HCG Cancer Hospital, Bangalore — M.Sc. Radiotherapy Project (Dec 2015 – Jan 2016)
- **Training Certificate:** HCG Cancer Hospital, Bangalore — Medical Physics Intern (Jun – Jul 2015)

PROJECTS

M.Sc. Thesis — IMRT Craniospinal Irradiation
HCG Cancer Hospital, Bangalore / Anna University

2015 – 2016
Bangalore and Chennai

- An IMRT Approach for Craniospinal Irradiation Without Beam Edge Matching and Its Dosimetric Comparison with 3D Conformal Technique. Conducted at HCG Cancer Hospital Bangalore. Attendance 98%.

B.Sc. Physics Research Project
Sree Narayana College, Kannur University

2013 – 2014
Kannur, Kerala

- Blackbody Radiation — Verification on the Expansion of the Universe. Investigated cosmological implications of radiation thermodynamics.

CONFERENCES AND PRESENTATIONS

- Nov 2017 — Invited Speaker, 17th Asia Oceania Congress of Medical Physics (AOCMP-AMPICON 2017), SMS Medical College, Jaipur
- Nov 2016 — Participant, 37th AMPICON, KIMS Cancer Centre, Hyderabad
- Feb 2016 — Participant, 20th AMPI TN and PY CON, Anna University, Chennai
- Nov 2015 — Participant, 36th AMPICON, Regional Cancer Centre, Trivandrum
- Dec 2014 — Participant, 19th AMPI TN and PY CON, JIPMER, Puducherry
- Dec 2013 — Winter Workshop in Physics, IIT Madras, Centre for Continuing Education

PERSONAL DETAILS

Date of Birth: 01 August 1993

Nationality: Indian

Languages: English, Hindi, Malayalam

Passport: Z2953736 — Valid until 21 July 2026

Marital Status: Single

Hobbies: Reading, Chess, Cooking
