SUMMARY

Enthusiastic and driven individual with strong interpersonal skills and teaching experience, eager to start a career in pharmaceutical sciences sector with a keen interest in regulatory affairs, research & development, pharmacovigilance and pharmaceutical best practices, aiming to utilize my strong understanding on ICH-GCP guidelines including GMP, GLP, regulatory compliance, adverse drug reaction (ADR) reporting and drug safety.

WORK EXPERIENCE

- Worked as an Assistant Professor in the Department of Pharmacology at NEF College of Pharmacy, Lakhra, Guwahati - 781040, Assam.
- Review article “Nose to Brain Delivery of Curcumin Loaded Therapeutic Nanostructures for Neurodegenerative Diseases” published on: <https://pubmed.ncbi.nlm.nih.gov/41482856/>
<https://doi.org/10.1002/bdd.70021>
- Review article “Gut-skin microbial interactions in wound healing: From mechanistic insights to therapeutic opportunities” published on:
<https://www.sciencedirect.com/science/article/abs/pii/S0040816626002272>
<https://doi.org/10.1016/j.tice.2026.103534>
- Completed a three months hospital training at the Guwahati Medical College and Hospital.
- Completed a 150-hours Industrial training at Avizen Biopharma Private Limited.
- Dosing and Animal handling.

Project:

- Investigating the potential of P.extract as a chemo-preventive agent in diabetic condition.
- Needle Free Injection : A painless drug delivery system.
- Polymers for oral capsule shells : An updated review.

SKILL

- Strong understanding of the subjects as per academic curriculum.
- Relevant knowledge on presenting a poster.
- Practical familiarity with Microsoft Office software applications Word, Excel and Power Point.

Certification:

- Participated in the poster competition held in the national pharmacovigilance week-23, organized by AIIMS, Guwahati and secured 2nd position.
- Actively participated in the PHARMAGENESIS 2023, RIPSAR, by putting up a poster presentation.(Title : “Pomegranate-Derived Fermented Probiotics: A potential approach for managing Hepatocellular Carcinoma”)

EDUCATION

- Completed a M.Pharm program at the Girijananda Chowdhury Institute of Pharmaceutical Science in Guwahati, in the Pharmacology department.(2022-2024). [CGPA : 8.77]
