PROFESSIONAL EXPERIENCE

Patient Care Coordinator

Apr 2025 – Present

TatvaCare (A Patient Support Initiative of Zydus)

Bengaluru, India · Hybrid

- Spearhead coordination between Area Business Managers, CFAs, hospitals, and distributors to ensure uninterrupted supply of chemotherapy drugs — directly supporting patient outcomes and building institutional relationships critical for field sales.
- Manage and track Free-of-Cost (FOC) oncology medications across multiple Patient Support Programs (PSPs) by Zydus, ensuring eligible patients receive life-saving therapies — demonstrating deep understanding of pharma PSP ecosystems valuable for selling specialty drugs.
- Monitor chemotherapy inventory levels and execute proactive replenishments, preventing stockouts across hospital accounts and strengthening trust with key healthcare partners.
- Generate MIS reports and operational dashboards used by senior leadership for compliance and strategic decision-making.
- Resolve escalations with hospitals, logistics partners, and internal teams — building conflict-resolution and negotiation skills essential in healthcare sales.

Operations Associate – Health Insurance

Jun 2024 – Apr 2025

ACKO General Insurance

Bengaluru, India · On-site

- Managed end-to-end health insurance policy issuance lifecycle — from pre-policy medical coordination to underwriting collaboration and final issuance — handling a high-volume customer portfolio.
- Coordinated with doctors and diagnostic centers for pre-policy health check-ups, building a strong network across the healthcare ecosystem.
- Collaborated with underwriting and sales teams to evaluate risk, determine policy terms, and process modifications — gaining cross-functional exposure to insurance sales pipelines.
- Drove customer satisfaction through personalised support, resulting in consistently positive client feedback and improved retention metrics.
- Identified process gaps and contributed to operational improvements that enhanced efficiency and reduced policy issuance turnaround time.

Care Delight Executive
Connect and Heal (CNH Care)

Jul 2023 – Jun 2024
Bengaluru, India · On-site

- Delivered comprehensive corporate healthcare services — including OPD, diagnostics, vaccinations, annual health check-ups, and wellness programs — to a portfolio of corporate clients, acting as the primary relationship manager.
- Serviced B2B corporate accounts by coordinating with HR teams and employees to meet healthcare benefit needs, directly mirroring a key account sales executive role.
- Processed and resolved OPD, diagnostics, vaccination, and pre/post-natal claims, building deep expertise in healthcare benefits and claims management.
- Consistently met and exceeded customer satisfaction targets, earning recognition for proactive client engagement and issue resolution.
- Cultivated lasting partnerships with corporate clients and healthcare providers, contributing to client retention and upsell of additional wellness services.

Customer Service Representative
Concentrix (HDFC Bank Process)

Jan 2022 – Apr 2023
Mumbai, India · On-site

- Delivered high-quality back-office support for HDFC credit and debit card customers, consistently achieving first-call resolution and exceeding quality benchmarks.
- Collaborated with internal sales and collections teams, developing foundational skills in customer lifecycle management and cross-sell identification.
- Maintained up-to-date product knowledge to guide customers accurately, demonstrating strong communication and consultative skills.
