

# DR. BHUVITHA M. S

9449351136

msbhuvitha1993@gmail.com

Vijaya Nagar, Bangalore

## Skills

- Good communication skills
- Hard working
- Organised
- Sound medical knowledge.
- Time Management
- Sound knowledge of Hematology, cytology and Histopathology.
- Good understanding of laboratory procedures.
- Ability to work effectively with other pathologists.
- Good experience in Grossing specimens.
- Efficient in writing reports of findings in understandable manner.
- Communication with physicians regarding laboratory findings.
- Maintaining pathology records Up-to-date

## Research

Post Graduate thesis – BRAFV600E Mutation in Papillary Carcinoma thyroid.

## Certifications

- MD DNB (PATHO)
- PDCC (ONCOPATH)

## Education

### Regional cancer centre, Trivandrum, Kerala.

Post Doctoral fellow in Oncopathology

Trivandrum, Kerala

2023

### Government Medical college Trivandrum, Kerala.

Senior residency

Trivandrum, Kerala

2022

### Government Medical college Trivandrum, Kerala.

MD pathology

Trivandrum, Kerala

2021

### Bidar research institute of medical sciences (BRIMS), Karnataka.

Internship

Bidar, Karnataka

2017

### Bidar research institute of medical sciences (BRIMS), Karnataka.

MBBS

Bidar, Karnataka

2015

### Marimallapa pu college, Mysore

Higher secondary school

Mysore

2011

## Experience

### Kidwai Institute of Memorial Oncology

Assistant Professor In Pathology

Bengaluru, Karnataka

Present

### Mandya Diagnostic Centre

Consultant Pathologist

Mandya, Karnataka

### Regional cancer centre, Trivandrum, Kerala.

Post Doctoral fellow in Oncopathology

Trivandrum

2022 - 2023

### Government medical college Trivandrum, kerala.

Senior Resident

Trivandrum

### Bidar Research institute of Medical sciences, Bidar, Karnataka.

Intern

Bidar

## Publications

- BRAF V600E mutation in Papillary Carcinoma thyroid
